RE: US Ecology Idaho (USEI) Site B – IDD073114654
Rescinded Request - Permit Condition X.B.6.c – Size Reduction Operations – Revision 2

Dear Ms. Creed:

On August 9, 2019, USEI submitted a request titled, "Permit Condition X.B.6.c – Size Reduction Operations – Revision 2". USEI is hereby rescinding the request based on feedback received from the Department during a phone call on August 13, 2019. USEI plans to submit two separate requests: one for size reduction activities for site-generated debris material from the Containment Building cleanup/demolition, and one for size reduction activities for current and future waste prior to micro-encapsulation.

If you have any questions or comments, please contact me or Rebecca Hogaboam at (208) 834-2275.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Regards,

Jason Evens
General Manager
